

2006 WORK PLAN FOR SUDAN – SECTOR PLANS FOR EASTERN SUDAN

Region Codes: [NP] = National Programmes, [S] = Southern Sudan, [D] = Darfur, [A] = Abyei, [BN] = Blue Nile, [SK] = Southern Kordofan, [E] = Eastern Sudan, [KN] = Khartoum and Other Northern States
 Cross Cutting Codes: [HIV] = HIV/AIDS, [Gnd] = Gender, [CB] = Capacity Building, [Env] = Environment, [RR] = Return and Reintegration

Sector Plans - Eastern Sudan - Basic Infrastructure and Settlement Development

Objective	Priorities	Strategy	Indicators	Supporting Projects
Basic Infrastructure and Settlement Development				<i>Eastern Sudan</i>
OBJECTIVE E_BI_1 - Recovery and Development		Objective Supports: MDGs:[MD][3] CROSS CUTTING: [Gnd][CB][Env][RR]		
To adopt a participatory approach in the planning, management, implementation, monitoring and evaluation for recovery and development interventions.	<ul style="list-style-type: none"> • Build capacities in the Department of Planning in Kassala and Port Sudan; and • Strengthen the Planning units in key localities: Kassala State—Hamash Koraiab, Rural Kassala, Siteet, Gash, Red Sea State—Halaeb, Tokar, Sinkat. 	<ul style="list-style-type: none"> • Target planning units, improve facilities, equipment and provide training in GIS mapping, database management, project management, and monitoring and evaluation; and • Strengthen engineering capacities with training in CAS software and preparation of tender documents. 	<ul style="list-style-type: none"> • Increased participation of local government in elaborating, managing recovery and development of infrastructure, and settlement development projects. 	UNDP - SUD-06/ER/112 - Eastern Sudan conflict prevention and recovery project [E] (RD)
OBJECTIVE E_BI_2 - Recovery and Development		Objective Supports: MDGs:[MD][3] CROSS CUTTING: [Gnd][CB][RR]		
To support the productive capacity of communities to improve living standards.	<ul style="list-style-type: none"> • Increase water harvesting; • Support livestock production; • Support range management; • Increase drinking water, water for livestock and irrigation systems; • Support agro-forestry; • Support mesquite eradication (Red Sea); and • Provide support to the fishing industry (Red Sea). 	<ul style="list-style-type: none"> • Support project activities to address priorities. 	<ul style="list-style-type: none"> • Increase in livelihood income and reduction of poverty indicators. 	UNDP - SUD-06/ER/112 - Eastern Sudan conflict prevention and recovery project [E] (RD)
OBJECTIVE E_BI_3 - Recovery and Development		Objective Supports: MDGs:[MD][3] CROSS CUTTING: [Gnd][CB][RR]		
To support the energy sector—also include support to renewable energy sources.	<ul style="list-style-type: none"> • Increase from 20 megawatts (MW) to 50 MW the Kassala State electrical power plant; • Link Kassala State electrical grid with Aroma (15 km) and Wad Sherifi (50 km); • Increase the use of photovoltaic systems in schools, health centres, religious and community centres, and water pump installations in Kassala State; • Provide training in the installation and maintenance of photovoltaic systems in Kassala State; • Increase from 50 MW to 100 MW electrical generation in Port Sudan, from 150 KVA to 1,5 MW in Haya, from 500 KVA to 1,5 MW in Gabiet, from 100 KVA to 1 MW in Durabieb, from 100 KVA to 2 MW in Ausif and from 750 KVA to 3 MW in Sinkat; and • Build 5 MW capacity in Tokar. 	<ul style="list-style-type: none"> • Support local authorities to raise resources for energy projects; and • Train new technicians in installation and maintenance of photovoltaic systems. 	<ul style="list-style-type: none"> • Significant increase in power generation capacities; • Increase in use of photovoltaic installations; and • Increase in number of trained technicians who can maintain and repair photovoltaic systems. 	UNDP - SUD-06/ER/112 - Eastern Sudan conflict prevention and recovery project [E] (RD)

Sector Plans - Eastern Sudan - Basic Infrastructure and Settlement Development

Objective	Priorities	Strategy	Indicators	Supporting Projects
OBJECTIVE E_BI_4 - Recovery and Development				
Objective Supports: MDGs:[MD][3] CROSS CUTTING: [Gnd][CB][RR]				
To improve basic infrastructure and social services in rural areas to reduce poverty in all groups, reduce the potential for disaster, and assist voluntary returns of Internally Displaced Persons (IDPs) to communities of origin.	<ul style="list-style-type: none"> • Construct flood control systems for the River Gash in Kassala State; • Construct the Hamash Koraib to El Kasara road (90 km) in Kassala State; • Construct the Kassala to Wad Sherifi road in Kassala State; • Rehabilitate and reconstruct schools, health posts, community centres, public buildings and housing in the following localities: rural Kassala, rural Hamash Koraib-North, rural Gash and rural Siteet; • Construct the Kassala to Awad Trade Centre road; • Construct the Port Sudan to Arbaat (50 km) road in Port Sudan State; • Construct the Tokar to Dolabyai (50 km) in Port Sudan State; • Extend the road network in Port Sudan State (20 km); • Support a state information centre in Port Sudan State with equipment and training; and • Develop alternatives to cement for construction—for example mesquite pressing, adobe and lower cement pressed bricks. 	<ul style="list-style-type: none"> • Support local authorities to raise resources for road construction projects; and • Organise projects in alternative construction techniques. 	<ul style="list-style-type: none"> • Flood control systems in place, increase in number of roads, new techniques and materials introduced, increase in basic infrastructure in target communities. 	<ul style="list-style-type: none"> UNICEF - SUD-06/ER/104 - Community Capacity Development and Empowerment [A][BN][SK][E][KN] (RD) UNDP - SUD-06/ER/112 - Eastern Sudan conflict prevention and recovery project [E] (RD) UNIDO - SUD-06/ER/113 - Demonstration centres for the production of local resources-based low cost building materials for basic infrastructure [E] (RD) WFP - SUD-06/ER/114 - Food Assistance through Food for Assets/Food for Work for community assets rehabilitation, to Populations Affected by War and Drought in Sudan [D][BN][SK][E] (HA)

Education and Vocational Training

Eastern Sudan

OBJECTIVE E_E_1 - Humanitarian Action				
Objective Supports: MDGs:[2][3] CROSS CUTTING: [HIV][Gnd][CB][RR]				
To ensure access to quality basic education for 46,000 primary school age children belonging to displaced or returning families and receiving communities.	<ul style="list-style-type: none"> • Re-establish and sustain basic education for children of newly and currently displaced families and their host communities; • Support interventions to resume basic education for Internally Displaced Person (IDPs) and refugee children and sustain education of pupils in receiving communities; and • Establish school feeding programmes for 40,000 pupils to support education. 	<ul style="list-style-type: none"> • Provide learning opportunities, with specific focus on girls, through the establishment or rehabilitation of educational facilities; • Support Food-for-Work (FFW), Food-for-Training (FFT) and teacher training; • Provide teaching and learning materials to pupils and teachers; • Provide daily school meals for pupils; • Strengthen capacity of state, local and community partners to establish and run educational facilities; • Promote community involvement in the planning and management of basic education; • Advocate for maintaining education of children of IDPs, especially girls; and • Undertake social mobilisation and disseminate key messages to promote girls' education, HIV/AIDS prevention and advocacy for free education for all. 	<ul style="list-style-type: none"> • Number of pupils enrolled in schools (gender disaggregated). 	<ul style="list-style-type: none"> EAI - SUD-06/E09 - Education Support to IDPs in Khartoum, Kassala and Red Sea States [E][KN] (HA) SC-UK - SUD-06/E22 - Port Sudan Project [E] (HA) UNICEF - SUD-06/E34 - Quality Basic Education for Children of IDPs and Returnees and Resident Communities in Eastern Sudan [E] (HA) WFP - SUD-06/E48 - Food Assistance through Food-For-Education (FFE) to Populations Affected by War and Drought in Sudan [S][D][BN][SK][E][KN] (HA)

Sector Plans - Eastern Sudan - Education and Vocational Training

Objective	Priorities	Strategy	Indicators	Supporting Projects
OBJECTIVE E_E_2 - Humanitarian Action				
Objective Supports: MDGs:[2][3] CROSS CUTTING: [HIV][Gnd][CB]				
To ensure basic education for 6,500 pupils of families affected by conflict and natural disaster to prevent displacement due to the lack of educational facilities and opportunities.	<ul style="list-style-type: none"> Restore, re-establish and sustain basic education for children of newly and currently displaced families and host community residents. 	<ul style="list-style-type: none"> Establish temporary learning facilities; Support teacher training; Provide basic school supplies to teachers and pupils; and Strengthen capacity of state and local community partners to establish and run educational facilities. 	<ul style="list-style-type: none"> Number of pupils enrolled in schools (gender disaggregated). 	UNICEF - SUD-06/E34 - Quality Basic Education for Children of IDPs and Returnees and Resident Communities in Eastern Sudan [E] (HA)
OBJECTIVE E_E_3 - Recovery and Development				
Objective Supports: MDGs:[2][3] CROSS CUTTING: [HIV][Gnd][CB][Env][RR]				
To expand access to basic education in disadvantaged areas through the establishment of additional facilities and systems to ensure the availability of quality education to 12,200 pupils in selected disadvantaged communities and groups with low enrolment rates—including nomads, with a special focus on girls.	<ul style="list-style-type: none"> Support the expansion of adequately financed education programmes for disadvantaged communities with low enrolment rates; Support plans to increase the availability of trained teachers; Provide equipment, teaching and learning materials; Support school feeding programme; Support the Food-for-Work (FFW) programme for the construction and rehabilitation of educational facilities; and Support the education of children with special needs. 	<ul style="list-style-type: none"> Support appropriate learning opportunities (formal and informal), inclusive of training of teachers and the provision of adequate teaching and learning materials; Strengthen human and institutional capacities at all levels to improve access, efficiency and quality; Empower communities to promote community involvement in planning and management; and Provide school meals for teachers, pupils and the FFW programme. 	<ul style="list-style-type: none"> Number of pupils enrolled in schools (gender disaggregated). 	UNICEF - SUD-06/E35 - Quality Education for School-age Children in Disadvantaged Areas [E] (RD) UNICEF - SUD-06/E43 - Quality Basic Education for Nomadic Children [BN][SK][E][KN] (RD) WFP - SUD-06/E49 - WFP Country Programme 10105.0 (Activity 1) - Support to Education [A][SK][E][KN] (RD)
OBJECTIVE E_E_4 - Recovery and Development				
Objective Supports: MDGs:[2][3] CROSS CUTTING: No cross cutting				
To increase availability of complementary basic education for 18,000 school children, adolescents and adults.	<ul style="list-style-type: none"> Provide complementary education initiatives and alternative education programmes; Run life skills education; and Provide education for children, adolescents and adults with special needs. 	<ul style="list-style-type: none"> Provide and rehabilitate school facilities; Provide education teaching and learning materials; Provide teacher training; Mobilise communities for school rehabilitation and management; Support Food-For-Work (FFW) and Food-For-Training (FFT) initiatives; and Conduct awareness sessions on HIV/AIDS prevention. 	<ul style="list-style-type: none"> Number of children, adolescents and adults (gender disaggregated) benefiting from complementary or non-formal basic education. 	UNESCO - SUD-06/E03 - Development and Expansion of Flexible, Alternative Learning and Training Opportunities for Adults and Adolescents [A][BN][SK][E][KN] (RD) UNICEF - SUD-06/E35 - Quality Education for School-age Children in Disadvantaged Areas [E] (RD) UNICEF - SUD-06/E44 - Accelerated Learning Program for Over-aged Out-of-school Children and Adolescents [A][BN][SK][E][KN] (RD)
OBJECTIVE E_E_5 - Recovery and Development				
Objective Supports: MDGs:[3][4] CROSS CUTTING: [HIV][Gnd][CB][RR]				
To ensure access to vocational skills training for 2,000 adolescents and adults with special needs.	<ul style="list-style-type: none"> Provide vocational training for adolescents and adults with special needs. 	<ul style="list-style-type: none"> Establish or rehabilitate training centres; Provide teaching and learning materials Mobilise communities for centre management and rehabilitation; Support Food-For-Work (FFW) and Food-For-Training (FFT) initiatives; and Conduct awareness sessions on HIV/AIDS prevention. 	<ul style="list-style-type: none"> Number of adolescents, youths and adults (gender disaggregated) benefiting from vocational skills training. 	UNESCO - SUD-06/E03 - Development and Expansion of Flexible, Alternative Learning and Training Opportunities for Adults and Adolescents [A][BN][SK][E][KN] (RD) UNIDO - SUD-06/E33 - Vocational Training for Youth Entrepreneurship Development, with Special Emphasis on Local Production of Mobility Aids for War Victims and Disabled Persons [E][KN] (RD)

Objective	Priorities	Strategy	Indicators	Supporting Projects
OBJECTIVE E_E_6 - Recovery and Development				
			Objective Supports: MDGs:[3][5] CROSS CUTTING: [Gnd][CB][Env][RR]	
To contribute to the establishment of a functioning education sector management system to increase number of educational facilities, boost enrolment, sustain participation to increase completion rates and ensure acceptable level of learning in order to achieve Millennium Development Goal (MDG) targets.	<ul style="list-style-type: none"> Promote responsive and decentralised approaches and expand capacities for improved education sector plans, policies and budget analyses with focus on achieving the MDGs; and Support the development of government and community institutional capacity to expand service delivery and manage basic education. 	<ul style="list-style-type: none"> Strengthen capacity of state and locality level authorities, communities and schools to plan, deliver and manage education programmes including rehabilitation and construction of educational facilities, with increased emphasis on equity and system sustainability; and Strengthen school-community partnerships to promote community involvement in planning and management of basic education and to address gender and other disparities that impede equitable progress. 	<ul style="list-style-type: none"> Number of trained leaders and members capable of participating in planning and management; and Numbers of localities with completed education plans and updated data describing the education situation. 	<ul style="list-style-type: none"> UNESCO - SUD-06/E02 - Reinforcement of the Efficiency, Performance and Management of Basic Education [A][BN][SK][E][KN] (RD) UNICEF - SUD-06/E35 - Quality Education for School-age Children in Disadvantaged Areas [E] (RD) UNICEF - SUD-06/E46 - Capacity Building for Local Education Authorities [BN][E][KN] (RD) UNICEF - SUD-06/E47 - Sample Education Baseline Survey [A][BN][SK][E][KN] (RD)
Food Aid				
<i>Eastern Sudan</i>				
OBJECTIVE E_F_1 - Humanitarian Action				
			Objective Supports: MDGs:[1][3][4][5] CROSS CUTTING: [Gnd][RR]	
To meet the basic food needs of 65,000 IDPs in camps in Kassala and of 142,000 food-insecure resident populations in Red Sea State.	<ul style="list-style-type: none"> Save lives; Enhance resilience to shocks; Improve food security; and Promote recovery. 	<ul style="list-style-type: none"> Provide half rations through general food distribution, and increasingly through Food-for-Assets creation, during the five months of the hunger gap; Support women's control of relief foods at household level; and Promote local and regional purchase of projected food aid where possible. 	<ul style="list-style-type: none"> Timely achievement of planned monthly beneficiary and tonnage targets; Transaction cost of food aid to and for beneficiaries is reduced; GAM levels reduced and maintained below 15 percent; and Decreased percentage of beneficiaries supported under general food distribution modality. 	<ul style="list-style-type: none"> OXFAM GB - SUD-06/F01 - OXFAM Food-for-Work and Food-for-Recovery Project in Red Sea State [E] (HA) WFP - SUD-06/F03 - Food Assistance to Populations Affected by War and Drought in Sudan [S][D][A][BN][SK][E][KN] (HA)
OBJECTIVE E_F_2 - Humanitarian Action				
			Objective Supports: MDGs:[1][3][4][5] CROSS CUTTING: [Gnd][RR]	
To prevent potential loss of life due to food insecurity by providing Eritrean refugees residing in camps with adequate food assistance.	<ul style="list-style-type: none"> Save lives; Enhance resilience to shocks; and Improve food security. 	<ul style="list-style-type: none"> Provide full rations through general food distribution to refugee caseload. 	<ul style="list-style-type: none"> Timely achievement of planned monthly beneficiary and tonnage targets; and GAM levels reduced and maintained below 15 percent. 	<ul style="list-style-type: none"> WFP - SUD-06/F02 - PRRO 10122.01 "Food Assistance to Eritrean Refugees" [E] (HA)
OBJECTIVE E_F_3 - Humanitarian Action				
			Objective Supports: MDGs:None CROSS CUTTING: No cross cutting	
To utilise food aid to support nutrition, education and basic infrastructure sector plan objectives to facilitate the shift from humanitarian aid to recovery and development assistance.	<ul style="list-style-type: none"> Improve food security; Contribute to improving and maintaining nutritional status; Increase enrolment; and Promote recovery. 	<ul style="list-style-type: none"> Selective and blanket supplementary feeding; Food-for-Assets to create community buildings; and School feeding. 	<ul style="list-style-type: none"> Timely achievement of planned monthly beneficiary and tonnage targets; GAM levels reduced and maintained below 15 percent; Decreased percentage of beneficiaries supported under general food distribution modality; Increased enrolment of girls; and Number of community assets created. 	<ul style="list-style-type: none"> WFP - SUD-06/ER/114 - Food Assistance through Food for Assets/Food for Work for community assets rehabilitation, to Populations Affected by War and Drought in Sudan [D][BN][SK][E] (HA) WFP - SUD-06/E48 - Food Assistance through Food-For-Education (FFE) to Populations Affected by War and Drought in Sudan [S][D][BN][SK][E][KN] (HA) WFP - SUD-06/H170 - Child and Maternal Nutrition [S][D][A][BN][SK][E][KN] (HA) WFP - SUD-06/F02 - PRRO 10122.01 "Food Assistance to Eritrean Refugees" [E] (HA) WFP - SUD-06/F03 - Food Assistance to Populations Affected by War and Drought in Sudan [S][D][A][BN][SK][E][KN] (HA)

Objective	Priorities	Strategy	Indicators	Supporting Projects
Food Security and Livelihood Recovery Eastern Sudan				
OBJECTIVE E_FS_1 - Humanitarian Action		Objective Supports: MDGs:[MD][1][3][4][7][8] CROSS CUTTING: [HIV][Gnd][CB][Env][RR]		
To protect livelihoods and promote food security through emergency support to 100,000 households (HHs), income generation and markets for food insecure Internally Displaced Persons (IDPs), returnees and resident households through agricultural, fisheries and livestock interventions.	<ul style="list-style-type: none"> • Support the restoration of rural livelihoods through the provision of improved crop and vegetable seeds as appropriate to 100,000 HHs with 300,000 farming tools including supporting water harvesting works and restoration of hand dug wells and hafirs; • Provide veterinary drugs, vaccines and extension services to 100,000 livestock holders and training of community animal health workers (CAHWs) within communities and local institutions; • Support income generating activities among vulnerable groups; • Support and facilitate access to rural markets; • Train local communities on fisheries—production, preservation, net braiding, boat building—and provision of fishery inputs; and • Build the capacities of community bases organizations to identify their priorities and implement their projects. 	<ul style="list-style-type: none"> • Ensure appropriate targeting through community participation and area based interventions; • Strengthen sector coordination and food security analysis and information systems; • Support both rural and urban livelihoods, including IDPs, host and resident populations; • Design projects based on sound analysis with interventions targeted according to needs; • Raise gender and HIV/AIDS awareness, and protection issues mainstreamed in project design and overall analysis of needs; • Promote and support community based organisations; • Build strong partnerships, collaborations and co-ordinate with international organisations, national organisations and relevant ministries building capacity as necessary; and • Monitor the delivery and output of interventions. 	<ul style="list-style-type: none"> • Number of CBOs assisted; • Number of CAHWs trained; • Number of markets rehabilitated and established; • Number of HHs assisted with agricultural inputs; and • Number of HHs & groups assisted with income generating activities. 	<p>FAO - SUD-06/A41 - Emergency Response to Support Livelihoods and Food Security of IDPs, Refugees and Resident Communities in Eastern Sudan [E] (HA)</p> <p>World Vision - SUD-06/A97 - Support to Household Food Security in Kassala [E] (HA)</p>
OBJECTIVE E_FS_2 - Recovery and Development		Objective Supports: MDGs:[MD][1][3][7][8] CROSS CUTTING: [Gnd][CB][Env][RR]		
To increase the agricultural production and, protect and support livestock recovery through technical support to line state ministries.	<ul style="list-style-type: none"> • Provide technical support to the state Ministry of Agriculture (SMoA) to enhance water harvesting; animal restocking and training of CAHWs; and • Establish seed banks and storage facilities in urban and rural resource base management. 	<ul style="list-style-type: none"> • Strengthen local productive capacity in the agricultural sector—crops, vegetables, forests, fishery and livestock; and • Improve environmental rehabilitation. 	<ul style="list-style-type: none"> • Number of staff trained on various aspects; • Number of water harvesting structures improved; • Number of CAHWs trained; and • Number of HHs assisted with agricultural in puts (livestock & fisheries) compared with targets. 	<p>UNIDO - SUD-06/A56 - Promotion of Community-Based Agro-Related Micro-Processing and Manufacturing Activities for Reducing Post-Harvest Losses [E] (RD)</p> <p>FAO - SUD-06/A65 - SPFS - Smallholder Water Harvesting and Productivity Enhancement Project in Eastern Region of Sudan [E] (RD)</p>
OBJECTIVE E_FS_3 - Recovery and Development		Objective Supports: MDGs:[MD][1][3][7] CROSS CUTTING: [Gnd][CB][Env]		
To enhance the capacity of state and local authorities, civil society and vulnerable groups, to access, manage and share natural resources (NR).	<ul style="list-style-type: none"> • Assess land and NR management issues and disputes; • Raise awareness among state and local authorities, civil society and vulnerable groups such as Internally Displaced Persons (IDPs), refugees, women and pastoralists; and • Build capacity of local stakeholders to manage land and NR disputes. 	<ul style="list-style-type: none"> • Take an incremental approach to address immediate and medium-term needs and to create an enabling environment for dealing with land and natural resource management in a transparent, efficient and accountable way. 	<ul style="list-style-type: none"> • Assessment studies published and disseminated; • Number of awareness creation events organised; • Number of public officers trained; and • Number of communities and CBOs actively participating in land and natural resource management events and activities. 	<p>FAO - SUD-06/A42 - Institutional Support to Targeted Land and Natural Resources Management Interventions [E] (RD)</p> <p>FAO - SUD-06/A69 - Institutional Capacity Building for Sustainable Agricultural Development in Sudan [S][A][BN][SK][E][KN] (RD)</p>

Sector Plans - Eastern Sudan - Food Security and Livelihood Recovery

Objective	Priorities	Strategy	Indicators	Supporting Projects
OBJECTIVE E_FS_4 - Recovery and Development				
Objective Supports: MDGs:[MD][1][7][8] CROSS CUTTING: [HIV][Gnd][CB][Env][RR]				
To improve NR management and environmental rehabilitation.	<ul style="list-style-type: none"> • Provide assistance for eradication of mesquites trees and replacement with suitable local species. • Support broadcasting of range seeds; • Support energy saving programmes; and • Assist forestry improvement and development. 	<ul style="list-style-type: none"> • Utilise Food-For-Work (FFW) in mesquite eradication; • Promote environmental awareness; and • Generating income from the eradicated mesquite trees. 	<ul style="list-style-type: none"> • Area of land cleared and replaced; • Area of rangeland broadcasted with quality seeds; • Number of HHs benefiting from alternative sources of energy and fuel efficient stoves; and • Number of hectares re-seeded or replanted with seedlings. 	<p>UNHCR - SUD-06/A54 - Sustainable Options for Livelihood Security in Eastern Sudan SOLSES (UNHCR/UN-HABITAT) [E] (RD)</p> <p>UNIDO - SUD-06/A57 - Exploiting Renewable Energy Sources for Productive Use in Rural Areas [SK][E] (RD)</p>
Governance and Rule of Law				
<i>Eastern Sudan</i>				
OBJECTIVE E_RL_1 - Recovery and Development				
Objective Supports: MDGs:[MD][1][3] CROSS CUTTING: [Gnd][CB][RR]				
To enhance capacity amongst all regional stakeholders to effectively respond to the current needs in the rule of law sector and to promote principles of rule of law, human rights and justice.	<ul style="list-style-type: none"> • Build the capacity of the state judiciary, • Raise awareness of rule of law, human rights and justice issues amongst civil society and other non-state actors; and • Raise awareness of the National Interim Constitution. 	<ul style="list-style-type: none"> • Take an incremental approach to promote conflict resolution through the strengthening of customary and statutory rule of law mechanisms 	<ul style="list-style-type: none"> • Completed minor rehabilitation of rule of law structures; • Train 250 beneficiaries including local judges, law-enforcement and communities on rule of law, human rights and the Interim National Constitution 	<p>UNDP - SUD-06/P/HR/RL24 - Promoting the Rule of Law and Peaceful Conflict Resolution in Eastern Sudan [E] (RD)</p> <p>UNICEF - SUD-06/P/HR/RL86 - Communication for Community Action [BN][SK][E][KN] (RD)</p>
OBJECTIVE E_RL_2 - Recovery and Development				
Objective Supports: MDGs:[MD][1][3] CROSS CUTTING: [Gnd][CB][RR]				
To promote peaceful conflict resolution through legal aid and support for customary conflict resolution mechanisms.	<ul style="list-style-type: none"> • Establish a Justice and Confidence Centre to uphold core rule of law and human rights principles and provide legal aid; • Train paralegals to staff the centre; • Establish a Legal Aid Network; • Produce a baseline survey and vision; • Build capacity of Civil Society Organisations (CSOs) and Community Based Organisations (CBOs); and • Strengthen customary legal structures and linkages to the statutory system. 	<p>Working closely with state government, communities and displaced populations to promote reconciliation and confidence building through strengthening and linking statutory and customary rule of law mechanisms.</p>	<ul style="list-style-type: none"> • Establish one Justice and Confidence Centre; • 200 paralegals trained; • Establishment of Legal Aid Network • 20 CSOs and CBOs trained • Production of study on peaceful conflict resolution and rule of law in eastern Sudan. 	<p>UNDP - SUD-06/P/HR/RL24 - Promoting the Rule of Law and Peaceful Conflict Resolution in Eastern Sudan [E] (RD)</p>
OBJECTIVE E_RL_3 - Recovery and Development				
Objective Supports: MDGs:[MD][1][3] CROSS CUTTING: [Gnd][CB][RR]				
To enhance decentralisation and service delivery through gender-sensitive, pro-poor planning, budgeting and well-established participatory planning processes at all governance levels.	<ul style="list-style-type: none"> • Build capacity of Ministry of Finance, Planning and Economy to develop, reform and harmonise governance relevant policies and mechanisms in line with Comprehensive Peace Agreement (CPA), and Poverty Reduction Strategy Paper (PRSP); and • Establish capacities of planning, economic development at the local level to undertake planning, resource management and service delivery. 	<ul style="list-style-type: none"> • Develop, reform and harmonise governance relevant policies and mechanisms at levels of government (centre, state, local) in collaboration with other international agencies to support the engagement of non-government stakeholders on governance issues. 	<ul style="list-style-type: none"> • State constitutions for Kassala and Red Sea State contain principles of good governance; • Local Governance Acts adopted in Kassala and Red Sea State; and • Local government resource allocation responds to priority needs identified in consultations with communities 	<p>UNDP - SUD-06/P/HR/RL32 - Poverty Alleviation-Oriented Governance Program in the Red Sea State [E] (RD)</p>

Objective	Priorities	Strategy	Indicators	Supporting Projects
OBJECTIVE E_RL_4 - Recovery and Development				
			Objective Supports: MDGs:[MD][1][3] CROSS CUTTING: [Gnd][CB][RR]	
To enable civil society and particularly marginalised groups to play a proactive role in the development process at the local governance level.	<ul style="list-style-type: none"> • Raise awareness of government, non state actors on good governance, Rule of Law, CPA and interim national and state constitutions; • Provide civil society with basic training in project cycle management, planning, reporting, advocacy, monitoring and evaluation, gender mainstreaming, financial management; and • Engage local communities in the process of defining priority interventions. 	<ul style="list-style-type: none"> • Promote communication and consultation mechanisms at three levels that enable marginalised groups to participate effectively in governance processes; and • Strengthen the capacity of civil society to raise awareness on governance. 	<ul style="list-style-type: none"> • Number of communities mobilised for local development; • Number of projects jointly planned and implemented. 	IRC - SUD-06/P/HR/RL101 - Towards an Empowered Civil Society [S][BN][SK][E][KN] (RD)
Health				
<i>Eastern Sudan</i>				
OBJECTIVE E_H_1 - Humanitarian Action				
			Objective Supports: MDGs:[MD][1][3][4][5][6][7][8] CROSS CUTTING: [HIV][Gnd][CB][Env][RR]	
To expand and consolidate provision of a comprehensive package of basic services and disease control, of acceptable quality, particularly to the conflict affected population aiming at reducing mortality and morbidity.	<ul style="list-style-type: none"> • Provide accessible basic health service packages with: routine supply of drugs and medical equipment to refugee camps and strengthening of health services in war affected areas (Hamish Koreib); • Provide Minimum Initial Service Package (MISP) for Reproductive Health (RH) in emergencies; • Strengthen communicable disease surveillance, outbreak detection and prevention (malaria, tuberculosis, leishmaniasis, meningitis and diarrhoeal diseases, Dengue Fever, Respiratory Tract Infection); • Increase access to HIV/AIDS counselling and treatment services and increase HIV/AIDS behavioural and biological surveillance; and • Reinforce referral system from rural areas (communication and transport of patients from rural health centres to hospitals). 	<ul style="list-style-type: none"> • Train health workers and authorities on humanitarian activities (short term course and/or on the job training); • Ensure health coverage gaps are filled in terms of number of facilities, partners and geographical areas: reinforce communication system from rural health facilities to the centre, provide mobile clinics equipped with radios for nomadic populations (Red Sea State), provide ambulances in rural areas, rehabilitate of Voluntary Counselling and Testing (VCT) centres in Kassala and Port Sudan; upgrade the counselling and treatment services; develop capacity in HIV/AIDS surveillance and develop a voluntary non-remunerated blood donor system by establishing mobile teams, equipping blood banks and developing human resource capacity; • Quality oriented expansion of coverage; and • Decentralise of coordination and management. 	<ul style="list-style-type: none"> • Percent of population covered by Primary Health Care (PHC) and Secondary Health Care (SHC) facilities; • Number of consultations per person per year; • Number of outbreaks investigated and contained; and • Number of health facilities running HIV/AIDS activities. 	<p>WHO - SUD-06/H45 - Polio Eradication [D][A][BN][SK][E][KN] (HA)</p> <p>WHO - SUD-06/H49 - Health Assistance to IDP, Refugee and Resident Communities in East Sudan [E] (HA)</p> <p>UNICEF - SUD-06/H52 - Polio Eradication in Northern Sudan [D][A][BN][SK][E][KN] (HA)</p> <p>UNICEF - SUD-06/H53 - Bridges Against HIV/AIDS [D][A][BN][SK][E][KN] (HA)</p> <p>UNICEF - SUD-06/H56 - Primary Health Care services for IDPs and returnees and resident communities in eastern Sudan [E] (HA)</p> <p>UNAIDS - SUD-06/H65 - Scaling-Up HIV/AIDS Multisectoral Response In Eastern Sudan: Kassala and Gedaref states [E] (HA)</p> <p>IARA - SUD-06/H86 - Provision of Comprehensive Package of Basic Health Services and Disease Control [E] (HA)</p> <p>IARA - SUD-06/H87 - Prevention of HIV/AIDS Transmission Among IDPs and Host Communities [E] (HA)</p>
