Lead NS Sector: coordinate with sector partners, mitigate gaps/overlaps in partner activities, prioritise sector initiatives. Strengthen bilateral partner working relationships, focusing on NNGOs, broaden distributing partner base, and align activities with NFI Common Pipeline Guiding Principles, understand/support Partners in sourcing items. Lead sector work planning and fund raising activities, including Work Plan development, reporting and CHF allocations. Participate in joint needs assessments. Continue Sector reporting systems, maintain/disseminate information on activities, stocks, and distributions. Support IOM-organised returns while maintaining cross-sectoral links with RRR and other Sectors ensuring timely response to returnee needs for early reintegration. Collaborate with Partners working on alternative and durable shelter solutions and support reducing environmental degradation. Support Partners in provision and programmatic expansion of environmentally-friendly and locally acceptable emergency shelter. Coordinate capacity building initiatives focused on emergency preparedness and response capabilities of national/local authorities, CBOs, NNGOs, and civil society. 	<ul style="list-style-type: none"> Health threats mitigated and beneficiaries protected from harsh environmental elements. Living conditions improved, contributing to basic human dignity restoration. Beneficiaries received appropriate and relevant items in timely manner. Distribution coverage improved, through effective Sector coordination, information sharing and support of Sector-related capacity building initiatives. Contributed towards reduction of environmental degradation in Darfur. 	240,000 HHs (approximately 1.44 million individuals). Northern Darfur, Southern Darfur, Western Darfur, Abyei, Blue Nile, Eastern States, Khartoum and other Northern States, and Southern Kordofan.	UNICEF, CARE, OCHA, RCO, I/NGO, IOM, and Red Cross/Crescent Societies.	\$3,500,000 - [NP] \$3,000,000 [D] - [S] \$100,000 [E] \$100,000 [SK] \$100,000 [A] \$100,000 [BN] \$100,000 [KN]
