Cross-sector Support for Return							\$63,657,160
DED							\$614,000
DED SUD-09/RR1 <i>Early Recovery</i> [S] [HIV][Gnd][CB][Env][ERA]	Support the Sustainable Reintegration of Returning Refugees and IDPs Into Receiving Communities	<ul style="list-style-type: none"> To build the capacity of local actors to enable them to define and manage priorities for their reintegration process. To increase capacity for self-reliance through skills learning opportunities with a focus on vulnerable groups. To generate and facilitate the information flow concerning return and reintegration between all stakeholders. 	<ul style="list-style-type: none"> Construct, equip and manage reintegration and development centres (RDCs). Consolidate and maintain the existing RDCs. Build RDC partners capacity to run and develop the centres' activities and integrate collected information into county development plans. Establish skills training units. Support vocational training, micro-finance, provision of start-up capital, revolving funds, and job pools. Organise workshops and meetings to establish information and skills transfer between refugees in Uganda, returnees, IDPs and host communities. Create environmental awareness and streamline environmental rehabilitation in reintegration planning. Gather, coordinate and disseminate information regarding training and employment opportunities. Create a county job pool accessible to returnees and host communities and refugees still displaced in Uganda. 	<ul style="list-style-type: none"> In cooperation with local partners, RDCs established. County level government capacity to accommodate and plan for refugee and IDP reintegration, enhanced. Returnees and receiving communities capacity to manage the reintegration process increased Linkages to service providers and interaction between returnees and host communities enhanced. Self-reliance of returnees and host communities, in particular the most vulnerable members, enhanced. Relevant information on training, available services, and employment opportunities, collected and disseminated. 	2,200 people (refugees/IDPs in displacement, returnees and host community members) and 20 receiving communities. Torit - Torit County, Magwi - Magwi County (Eastern Equatoria) , Kajo Keji - Kajo Keji County, Juba -Juba County (Central Equatoria), (Upper Nile).	Local NGOs, CBOs, CSOs, county level local authorities.	\$614,000 - [NP] - [D] \$614,000 [S] - [E] - [SK] - [A] - [BN] - [KN]
HI							\$800,000
HI SUD-09/RR2 <i>Humanitarian</i> [S] [HIV][ERA]	Maintenance and Management of Bor Way Station, Transportation of Sudanese Returnees and Internally Displaced Persons, in Jonglei State	<ul style="list-style-type: none"> To assist the refugees and IDPs to return to Jonglei State, with dignity and safety. 	<ul style="list-style-type: none"> Receive the returnees/IDPs at the Bor Way Station and provide two daily meals. Provide tailored support to specific vulnerable people (sickness, elders, pregnant women, disabilities, children), at the way station (accessibility to latrines and facilities) and en route (mattresses in trucks, ladders). Transport returnees to their native payams in Jonglei State. Provide additional food aid to returnees after arriving at their final destination. Maintain the Bor Way Station. 	<ul style="list-style-type: none"> Returnees safely accommodated with dignity at the way station, received 3-months-package of NFI and food, and received awareness sessions. Returnees registered by local authorities and UNHCR to receive reintegration support at their final destination. Returnees travelled to their final drop off payam with dignity and safety. 	11,000 people (55% women, returnees). (Jonglei).		\$800,000 - [NP] - [D] \$800,000 [S] - [E] - [SK] - [A] - [BN] - [KN]

Project Code	Project Title	Objective	Main Activities	Key Outcome	Beneficiaries and Target Areas	Implementing Partners	Regional Requirements
IOM							\$36,239,700
IOM SUD-09/RR11 <i>Early Recovery</i> [S][SK][E][KN] [HIV][Gnd][CB]	Return and Reintegration of Qualified Sudanese (RRQS) from the IDP Community and Diaspora	<ul style="list-style-type: none"> To assist the GoSS and GNU in developing basic services delivery through provision of key human resources contributing to the recovery and stability of Sudan. To fortify government, NGO/CBO and civil society bodies capacity to meet basic needs and to indirectly develop receiving communities' capacity to manage resources. To facilitate the return for skilled and qualified Sudanese from IDP community and from the Diaspora to contribute to the rehabilitation of Sudan. 	<ul style="list-style-type: none"> Establish links between IOM and other stakeholders to facilitate 'buy in'. Formalize and institutionalize awareness and engagement within key state ministries. Assess, identify and monitor human resource gaps and job opportunities in Sudan, with emphasis on health, education, infrastructure and livelihood gaps. Establish links with Diaspora and IDP organisations and cooperative agreements with government stakeholders. Conduct public information campaigns to identify and select qualified and skilled individuals from the Diaspora and IDP communities. Organize the return movement of selected candidates and their dependents, to identified places of employment and/or areas of return. Provide specifically tailored support to address RRQS needs to facilitate the reintegration process. Support government bodies to improve capacity to achieve effective human resource management and recruitment. Incorporate review process into return agreements with RRQS candidates to streamline monitoring and evaluation of the process. 	<ul style="list-style-type: none"> Immediate recruitment of human resources within governmental, private, civil society and NGO sectors in Sudan improved. General delivery and performance in all sectors improved as qualified and skilled returnees positively impact working standards and service delivery. Economic, professional and social linkages between Sudan and other countries, particularly those hosting Diaspora, created. Skilled and qualified Sudanese from IDP community and from the Diaspora are facilitated to return to their place/country of origin. 	220 qualified Sudanese (20 from the Diaspora, 200 IDP), and 750 dependants. (Khartoum and North, Eastern States, Southern Kordofan, All ten State in Southern Sudan).	Ministry of Education, Ministry of Health, Ministry of Basic Infrastructure and Development, Secretariat for Sudanese Working Abroad.	\$2,000,000 - [NP] - [D] \$1,400,000 [S] \$100,000 [E] \$200,000 [SK] - [A] - [BN] \$300,000 [KN]
IOM SUD-09/RR9 <i>Early Recovery</i> [KN] [HIV][Gnd][CB][Env][ERA]	Cross-Sector Support for the Integration of IDPs in Greater Khartoum	<ul style="list-style-type: none"> To support IDPs in their voluntary decision to remain and integrate. To ensure improved and sustainable access to basic services based on humanitarian standards in areas of settlement. 	<ul style="list-style-type: none"> Conduct demographic, economic and social services baseline survey within IDP areas. Implement quick impact water systems (boreholes and hand pumps). Conduct awareness raising/hygiene promotion workshops. Establish gender-balanced water management committees. Provide skills trainings to improve and diversify livelihoods and other IGAs. Initiate small grants/loans projects. Distribute hand tool kits and equipment and provide management and entrepreneurial skills trainings. Establish self-help groups for joint management. Establish, train and support 7 committees to track and monitor IDP movement. 	<ul style="list-style-type: none"> Understanding of locations, numbers and conditions of IDPs improved. Understanding of IDP integration/return intentions and influencing factors improved. Community management committees trained, and gender balanced. Access to safe water points and hygienic conditions in IDP camps improved. Access to livelihood opportunities increased and improved. 	26,000 IDPs. (Khartoum).
